Learn Quran with Basic  
teachings of Islam

# Introduction

## The journey of Firasah

It is a duty for Muslim parents to teach Quran to their kids so that they are able to understand the instructions of Allah and live their life accordingly. One must take some time out of the daily routine to teach the kids about Islamic values. Most of the Muslim parents living in non-Muslim countries have desire to make their children familiar with Islam and Quran but due to unavailability of local Quran Tutor for Kids facilities, they remain deprived of this great opportunity. Those days are gone that you have to wait for the arrangement of local Quran Tutor for Kids within your area. Now Firasah Academy is providing Quran teaching services for kids online and it is getting very popular in the Muslim community living in USA and European countries.

# Nazera Course

---

Learn to recite the Quran fluently and beautifully with proper pronunciation.

This course is designed to help students of all levels improve their Quran recitation. Our experienced teachers guide learners step-by-step, starting from the Arabic alphabet (for beginners) to fluent reading of the Quran with correct articulation. Emphasis is placed on clarity, rhythm, and understanding basic rules of recitation.

Ideal for both children and adults.

# Why is Quran with Tajweed important?

---

Quran reading with Tajweed course is purposefully made to make kids and grown ups (who have not learned to recite Quran before) to be able to recite Quran. However, this course is without translation. Once a person has read Quran and he knows the rules to recite it, he can move onto further courses.

This course is for those students who already completed their Qaida Course (First step to the Quran) or they already have some basic knowledge of Arabic. In this course the students will add beauty & fluency to their recitation of Quran. The students will receive extra attention to improve overall flow of recitation.

# Policies

---

## **Assignments and Homework Policy**

It is a well-established fact that simply providing lessons for students is not enough. Students learn in a variety of ways and thus it is crucial that a range of other activities are offered to aid learning. With this in mind, students will have the opportunity to complete extra work in the form of assignments, group tasks, homework etc. All work will be marked, and students will receive feedback signposting them towards how to improve further.

# attendance and Punctuality policy

Firasah Academy is committed to providing an education of the highest quality for all its students and recognizes this can only be achieved by promoting excellent attendance. This is based on the belief that only by attending lessons regularly and punctually will students be able to take full advantage of the opportunities available to them.

# Attendance policy for student

All students are expected to attend all lessons. Students should aim to be present 10 minutes before the lesson begins. Any student who arrives to the lesson after 10 minutes will be marked as 'late'. Our attendance target is 100%. However, if the attendance falls below 95% in any two consecutive weeks, students will have to go through our internal attendance improvements measures, which involves phone calls to parents, one-to-one online meetings with parents and even penalties if it is proven to be deliberate unauthorized absence. Excellent attendance will be rewarded by certificates, rewards, media coverage, and prizes.

# General E-safety policy

- All our lessons will be delivered on online platform, preferably on Zoom Cloud
- However, the teacher may use other platforms such as Google Classroom and Google Meet.
- Students must keep their videos unmuted during the lesson time.
- Teacher will have full control over muting and unmuting the audio or videos of the Students.
- Teacher will be recording all the lessons for after class lesson office and marketing purposes

- All the recordings including work sheets are not intended for release to or use by the general public and may not be published, disseminated, or shared in any format or media
- Students can be permitted to use recordings only for their own private study and non-commercial research.
- Students found in breach of the usage policy may be subject to disciplinary proceedings.
- Recordings will be sorted on a secure cloud-based folder accessed by the Firasah or their own students.
- Recordings can be used by Firasah for the use of continuing professional development or career progression
